It is the opinion of the school that issues of sexual harassment are best dealt with within the school. However, no aspect of this Policy affects any employee's individual legal rights to take their complaint outside of the school.

Informal Procedures

Employees should be advised that, if possible, they should attempt to resolve the problem informally in the first instance. It may be possible and sufficient for the employee concerned to explain clearly to the person engaging in the unwanted conduct that the behaviour in question is not welcome, that it offends them or makes them uncomfortable, and that it interferes with their work. In circumstances where it is too difficult or embarrassing for an individual to do this on his/her own behalf, an alternative approach would be for an initial approach to be made by a sympathetic colleague. Ideally this should result in a cessation of their unacceptable behaviour. It is very important for the recipient of sexual harassment to keep notes, detailing times and dates of incidents of sexual harassment and request eyewitnesses, if any, to note them also.

If it is not appropriate to resolve the problem informally (because of the severity or continuation of the harassment, for example) it should be raised through Formal Complaints Procedure outlined below.

Formal Procedures

Staff members subjected to sexual harassment shall make a formal complaint to the Principal who will be responsible on behalf of management for investigating such complaints and recommending action. Prior to the commencement of the formal investigation the alleged harasser will be given a copy of the formal written complaint and advised that an investigation will ensue which may lead to disciplinary action. Depending on the severity of the alleged harassment the alleged harasser may be suspended with pay pending the investigation. Both the complainant and the alleged harasser will be advised of their right to be accompanied and/ or represented by their Union Representative or a colleague.

Where any staff member do not find it appropriate to report to Principal as above, he/she may report to Vice Principal/Chairperson, Board of Management. The list of personnel available for reporting should reflect gender balance.

Investigations of any complaint will be handled with sensitivity and with due respect to the rights of both the complainant and the alleged harasser. The normal grievance procedure will be the mechanism for resolving such complaints. It is understood that all complaints will be investigated with the minimum of delay consistent with fairness to both parties.

- A written report should be made by the complainant or an authorised person whom the complaint is made and signed by the complainant.
- The complaint will be investigated with minimum delay as confidentially as possible. Due respect shall be had for the rights of the alleged perpetrator.
